

HARMONY THEATER, INC.

Harmony Theater, a 501c3 non-profit corporation, is a creative performance environment, which enriches the lives of adults with developmental disabilities.

The theater produces two yearly events including a Fall Concert that features the vocal talents of our participants and a Spring Musical, which combines the actors' acting, vocal, and dancing abilities. Through weekly Saturday rehearsals, activities, and events, Harmony Theater participants enjoy a safe, nurturing, creative environment where they can build friendships, transition into adult social life, and develop life skills in the 'Harmony Theater Family'.

OUR MISSION

The Harmony Theater Mission is to create, support, and offer opportunities for adults with developmental disabilities as members of Harmony Theater, Inc., so that they may participate in performing arts activities as an avenue for social interaction and self-expression.
